

## West Virginia Board of Licensed Dietitians (WVBOLD) Safety Policy

### Policy Statement

Maintaining a safe facility, conducting work in a safe manner, and protecting the safety of employees, board members and the general public are extremely important to the West Virginia Board of Licensed Dietitians (WVBOLD). It is the policy of the WVBOLD to establish and adhere to the following risk management and loss control procedures that will protect the assets of the WVBOLD, the safety of its employees and members of the general public. All WVBOLD's employees, board members and officials have certain responsibilities in the risk management and loss control process that must be carried out in order to have a successful program. These responsibilities include such activities as establishing safe workplaces, following safe practices, limiting exposures to potential liability and loss, and carrying out the steps necessary to maintain an effective and efficient risk management and loss control program.
